

Inquiry on out of state background checks

Information compiled on June 30, 2009

The Question: How do you conduct a criminal background check for employees coming from out of state? Is there a specific service you use?

Columbia County Public Transportation says...Haven't had to deal with this yet.

Community Transit says... Community Transit uses a company called EBI to provide all of our pre-employment background checks, both for in-state and out-of-state candidates.

CUBS says....We use a service through the National Recreation & Park Association to run nation wide background checks. This partnership is through Southeastern Security Consultants at <http://www.ssci2000.com/> or 866 996-7412.

Grant Transit says...As far as I know headquarters is in the process of setting up our account to enable us to do FBI background checks for all out of state applicants. I believe that once that is completed, we will use this for all new hires and use the WSP criminal history for our annual verifications.

Grays Harbor Transit says...Grays Harbor Transit uses Pinnacle Investigations in Spokane Washington. For all background checks.

Island Transit says...We use DataQuest out of Snohomish.

Kitsap Transit says... All of our criminal background checks in and out of state are conducted by the following company:

Rexus Corporation
2400 Crown Point Executive Dr., Suite 700
Charlotte, NC 28227
1-800-588-4119 (phone)
1-704-844-1440 (fax)

Mason Transit says...Mason Transit uses REXUS Corporation to conduct all criminal records in and out of state.

Pacific Transit says...We have not had this situation to deal with.

Pierce Transit says...we use a web-based program called "Intellicorp" for our out-of-state background checks. The results come back with suggested states and/or county courts you may

want to check for possible criminal records. You can either order the searches individually (per county, etc.) for various nominal fees or for approximately \$30.00, they will do a criminal “super search” that is nationwide. Their website address is: www.intellicorp.net.

Pullman Transit says... We don't do background checks for those out of state. Even the forms that we send off asking for information are either ignored or returned with a request for anywhere from \$10 to \$50 for a check with no guarantee of time frame for a response.

Skagit Transit says...I use AIR FACTZ www.airfactz.com for in and out of state background check.

Spokane Transit says...We use ACRAnet – they have an assortment of packages. It is very inexpensive and has a fast turnaround time.

Whatcom Transit says...We use Pinnacle Investigations out of Spokane, paying a bit extra for the second (or third or ...) state check.
