

## Sample Ride Check Forms

Information compiled February 27, 2006

**The Question:** A fellow member is trying to update their ride check forms. Please attach (1) the ride check form used for the final evaluation of new operators and, (2) the ride check form used in the ongoing evaluation of veteran drivers.

**Ben Franklin Transit** says... We use the same evaluation report for all phases of employment. [Click here](#) to view form.

**Clallam Transit** says... We use this performance evaluation for existing Operators as well as trainees. I am in the process of creating a new "practical" test including testing on all gauges and switches in drivers area as well as a written test with a point value to be given to trainees before they are put into service. I will be happy to send that along when I have them completed. [Click here](#) to view Operator Performance Evaluation. [Click here](#) to view practical defensive driving check.
